DO YOU WANT SUPER-HEALING FOR YOURSELF, YOUR LOVED ONES AND PATIENTS?

LEARN UP-TO-DATE CLINICAL SOLUTIONS IN A PRACTICE-FOCUSED, EASY-TO-IMPLEMENT FORMAT AND FULLY CAPITALIZE ON PRACTICE BUILDING, BASED ON RESULTS

For the first time, you will understand why learning how to restore cell polarity and stabilize efferent-afferent reciprocity is the most important thing you can do in getting your patients well. If you fail to correct cell polarity and restore afferent function, you are doing symptomatic, anti-infective treatment, stimulatory treatment and immunomodulation which all work against innate healing and reciprocity. Instead, DISCOVER the Hidden Causes of ADD, Anxiety, Depression, Brain Fog, Memory Loss, Obesity, Fibromyalgia, Alzheimer's, Parkinson's, maldigestion, IBS and more.

MAXIMIZE THE SUCCESS OF YOUR PRACTICE. SUPPORT YOUR PATIENT'S UNIQUE NEEDS. SHATTER DEADLY HEALTH & NUTRITIONAL MYTHS

Today no one teaching doctors how to **NOURISH** afferent neurons or how to **RESTORE** cell polarity and how to colonize commensal microflora. Today's toxic world has the afferents under constant restraint with efferents being excessive inducing immune cytokine inflammation. An efferent-afferent imbalance confuses sensations, clouds thoughts, decreases range of motion, restricts the spine, and so we function in compensatory or abnormal physiology. To fix deficient afferents, therapy must follow embryonic wisdom and reestablish coherence of the inward centripetal afferents toward the core of the body's inner physician at the lipid bilayer.

Learn how many popular "natural" healthcare myths stand up against evidence-based scrutiny. Dr. Yanick debunks popular myths and unveils truths that attune us with nature. Expand your practice with amazing clinical successes and empowerment gained by treating core clinical issues with nature's timeless wisdom and reciprocity.
